

Institutional Distinctiveness

It is very much important in the overall progress and development of the institution. With this view our college has its own mission statement accordingly we always try to function uniquely, innovatively and distinctively from the other institutions. As far as our mission and vision are concerned, college always try to implement the distinctiveness in the work.

RTC is very keen on aiding personal commitment to the educational success of the students and thus the Academic committee consisting of Principal / Director, senior faculty members and Examination Coordinator prepares the academic calendar well in advance before the commencement of the session/semester. The faculty members before the commencement of semester prepares the lesson plan, and make it available to the students.

Enourmous efforts are being made for the past few years to change the Teaching – Learning environment into activity based learning. Following are the methods adopted to transform the academic environment:

Changing the teaching methodology as flipped classrooms by encouraging the faculty and students to improve their skillset.

Extensive use of online – content and other Video lectures to support the Class – room teaching. Students are encouraged to present poster and oral paper presentations.

Counseling system:

Every Faculty member is allotted 10-15 students to whom he/she acts as a mentor. The mentor identifies the academic and personal problems of his/her ward and have a good relationship with their parents and rectify the problems amicably.

The wards are encouraged to participate both in curricular and extra- curricular activities.

- Each department arranges guest lecturers periodically addressed by the eminent persons from
- Industry, Academic and Research Institutions.
- Eminent experts of National repute are invited from academic /organization /industries for seminar, workshop, conferences etc.

In addition to the classroom interactions, following are the other methods of learning experiences provided to the students:

- Project work
- Short term Industrial visit o Internships.
- Seminars/ Symposiums/ Workshops
- Paper presentations/ Group discussions
- Industrial Visits

Providing access to e-journals and e-books by use of ICT in delivering and learning process
 Emphasis is laid to obtain feedback from parents, students, faculty members and alumni through informal contact to obtain information about qualitative changes which are required.

Feedback System –

Students give feedback about the faculty at the end of each session or semester.

Feedback is taken from the parents of the wards.

Feedback is also taken from alumni

The students play major role in the events like Annual day, Sports day etc., which are being organized by the college and inculcate the qualities of Leadership co-operation, co-ordination and team work.

Personality development programs and seminars are being conducted from the first year to improve communication skills & soft skills of the students.

Social Responsibility Activities like Go Green Activity through sapling plantation, Blood Donation, Visiting Hospitals, & Interacting with patients and distribution of nutritious food, plantation and visiting nearby villages and helping them according to their requirements.

Achievement:

Improved students understanding in domain knowledge.

Improved results and pass percentage.

Reduced backlogs and detention.

Improved placements and opting for higher studies.

Provision of quality education in hospitality:

- College has permanent affiliation to Anna University and AICTE. Also, recognized under 2F of UGC.

Industry interaction and liaison is an ongoing process which happens year-round in the form of student's industrial training, placements, Outdoor catering (ODC), Industrial visits, guest lectures, demonstrations, evaluation of competition etc.

- To give the students a firsthand update of the current practices, professionals from the industry are appointed as adjunct faculty.
- College has membership of IEEE, CSI and Texas Instruments. This provides platform for the faculty and students to participate in various workshops, lectures and seminars organized by these associations.
- Faculty members attend refreshers training programs in various star hotels every year.
- Additional intake for RTC course as well has been approved and started.
- College has a research centric atmosphere which encourages the faculty and students to conduct the research.
- More number of research papers have been published. In the year 2019-20 more than 150 research papers have been published by the faculty members in various national and International Journals. Few of the publications are the joint publications of students and faculty.
 - Faculty members are invited as resource person for seminars, guest lectures, and workshops on Career Counseling, Research Methodology and Accreditation procedures.
 - College has a research cell which encourages students to participate in research activities. Incentives will be given to faculty members those who published papers, filed patents or proposals.

Students also motivated to participate various AICTE events like Hackathons.

1 team was shortlisted for final round of national level Hackathon on 2019-20.

College Society relationship Activities (CSR):

In our RTC, The CSR Activities are made as a mandatory one in our Academic calendar. Monthly atleast one CSR activity must be done by each department.

- College also participates in various activities where the motto is to reach out to the common people and give back to the society.
- Consultancy services are provided in areas of 'Product Development', 'Training & Development', 'other operational areas' and 'conduct of Academic Audits'.
- College organizes Annual Grant event "Enthusia" – a big cultural and techno fest. More than 5000 students participated from various states of India.

- The students are given extra training to participate in the competitions for which dedicated faculty members are assigned in each department.
- Last but not the least; College solicits feedback of student on teaching and infrastructure. Regular Course Monitoring committee meeting is conducted every month with all the Class Representatives. Mentor- mentee system is followed for the students and Teaching faculty, it is monitored through buddy evaluation system and organizes a Teacher`s Training programs
