FRESHMEN INDUCTION PROGRAM

Class of 2025

Anugraha is a 14-day special transition enrichment programme for the freshmen who step on their happy feet at Rathinam Technical Campus. The primary aim of this programme is to help the students mingle with each other, find new friends, and also to sync with the campus culture. This 14-day event is tightly organised with fun-packed talent showcasing sessions. These Anugraha days will allow freshmen to gradually acclimate to campus life at RTC. The programme is also intended to instil confidence in students to face real-world problems.
